**MONTREAL (QC), January 7, 2019**— Dermapure Group (“Dermapure”) and The Medspa at Oshun House (“Oshun House”) are pleased to announce the affiliation of Dr. Laura Lee McFadden, MD, CCFP, FCFP, founder of Oshun House clinic, and her team with Dermapure, a leading network of clinics specializing in aesthetic medicine and non-surgical rejuvenation treatments. This affiliation represents Dermapure’s ninth clinic and is a continuation of its development in Western Canada.

Since its establishment in 2008, Oshun House has flourished and quickly became a leading name in Saskatoon’s cosmetic medicine community with an exceptional team of professionals led by Dr. Laura Lee McFadden. Dr. McFadden teaches and mentors physicians and nurses in facial aesthetics and is also an injector trainer for Allergan. Her undeniable knowledge and expertise had made her a respected reference among her colleagues.

“We are excited to have Dr. McFadden and her team join Dermapure and welcome them to the Dermapure family. The Oshun House clinic and Dr. McFadden uphold an exceptional reputation in the Prairies thanks to their educational and natural approach to aesthetic medicine. This affiliation is a blessing and keeps positioning Dermapure as a leader in the industry throughout Canada,” said Marilynne Gagné, President of Dermapure.

“I am extremely pleased to join Dermapure and have this opportunity to bring the Dermapure brand and concept to Saskatchewan. Dermapure and its management share the same values and culture that have made our clinic a success. Our clinic’s excellence, professionalism, and passion allows us to partner with our patients for all their cosmetic, dermatology and rejuvenation needs. All while maintaining a down-to-earth family culture” said Dr. McFadden.

**This latest affiliation represents Dermapure’s third partnership in Western Canada and the first in Saskatchewan.** “We are thrilled about our partnership with Dr. McFadden and the Oshun House team and proud that Dr. McFadden chose us as her partner. This new affiliation is part of our plan to develop the best country-wide network of premier aesthetic medicine clinics and once again confirms that we are the partner of choice for practitioners in the aesthetics market” said Francis Maheu, CEO of Functionalab Group, of which Dermapure is part.
