**DR. JOHN ARLETTE AND TOTAL SKINCARE CENTRE IN CALGARY  
PARTNER WITH DERMAPURE**

*Represents first clinic in Alberta for Dermapure Group*

**MONTREAL (QC), October 15, 2019**— Dermapure Group (“Dermapure”) is pleased to announce the affiliation of Dr John Arlette, MD, FRCPC, Dermatologist, the founder of Total Skincare Centre, and his team with Dermapure, a leading national network of clinics specializing in aesthetic medicine and non-surgical rejuvenation treatments. Based in Calgary, Alberta, Total Skincare Centre has been recognized as a leading medical aesthetic clinic. This affiliation brings the number of Dermapure Group clinics to fifteen across Canada (including affiliated Project Skin MD clinics).

Dr. John Arlette is the Master Injector™ and a Royal College certified Dermatologist. With over 30 years of experience in his thriving practice, and over 20 years of injectables expertise, Dr. John Arlette is highly sought-after for his skills in assessing and planning facial rejuvenation. He has built his career on listening to his client’s needs. Dr Arlette is an educator and trainer of other physicians in the use of fillers and injection techniques, he is also a regular speaker on a variety of dermatologic topics at conferences worldwide. Graduating with an MD from the University of Calgary and certifying as a Dermatologist from the University of British Columbia, Dr. Arlette is a Fellowship trained Dermatologic Surgeon. Dr. Arlette is an internationally renowned pioneer in the research of the placement of filler in the skin and a trusted thought leader in body contouring.

“We are extremely proud to welcome Dr. Arlette and his team to the Dermapure family. There is no doubt that Total Skincare Center upholds an exceptional reputation in Calgary. Dr. Arlette is world renowned and passionate about skin health. It is an honour that he believes in our concept and chose to partner with us” said Marilyne Gagné, President of Dermapure.

“We are delighted at our partnership with Dermapure as it enhances our reputation for excellence, patient care and advanced technology” said Dr. John Arlette.

**This latest affiliation represents Dermapure’s fifth partnership in Western Canada and the first one in Alberta.** “We are thrilled to have Dr. Arlette join our growing group of top physicians. We are fortunate to have this new affiliation to continue position Dermapure as the leader in the Canadian cosmetic industry and confirms we are the best partner for physicians focused on aesthetic medicine. Thanks to this new affiliation, we continue on our mission to develop the best network of premier aesthetic medicine clinics across Canada” said Francis Maheu, CEO of Functionalab Group, of which Dermapure is part.

## **About Dermapure**

Dermapure is a premier network of aesthetic medicine clinics specializing in non-surgical rejuvenation treatments in Canada. Dermapure offers comprehensive treatment plans that combine the latest innovative technologies, topical products and dietary supplements to effectively fight the signs of aging. Dermapure has developed a unique consultation process following which a personalized action plan is designed to meet patients' immediate skin care needs and guide them toward their long-term anti-aging goals. Dermapure's philosophy is simple: deliver noticeable, natural-looking results that improve all aspects of skin, face and body health. Dermapure is part of the Functionalab Group.

## **About Functionalab Group**

Functionalab Group is an innovative developer and marketer of beauty brands focused on the most attractive and fastest-growing segments: the professional aesthetic market with Dermapure, Project Skin MD and Functionalab, and the retail dermo-cosmetics market with Jouviance. Focusing on two distinct distribution channels, the Group brings innovation and learnings from each of the professional and retail markets to the consumer:

- Together, Dermapure and Project Skin MD represent the leading and fastest-growing network of aesthetic medicine clinics offering non-invasive treatments combining the latest innovations in skin rejuvenating technologies with Functionalab's exclusive line of professional cosmeceuticals and dietary beauty supplements to fight the most common signs of skin aging effectively.
- Jouviance is an acclaimed Canadian-based dermatologist-developed line of skincare, distributed in approximately 3,500 retail points of sale in Canada, at CVS Pharmacies in the United States and in Asia.

Functionalab Group was ranked among Canada's top performers in the PROFIT 500 ranking of Canada's Fastest-Growing Companies four years in a row in 2016, 2017, 2018, 2019 and was a finalist for the EY Entrepreneur of the Year award in 2016.
